

Our esteemed members,

I took over the captaincy from Selahattin Özdoğan, who has been very generous with me in sharing his experiences at his tenure. I am always very proud to be in charge for a community which values etiquette as much as (if not more than) scores.

We have been scheduling sponsored tournaments at Marmara golf course. We are working harder and smarter to improve our short game at Nakkaştepe chip & putt area. We will add more intra-club match play events to our scheduled events while keeping the vibe of the classic Istanbul Challenge. This year, İGK will take over the captaincy of the European Team. Other challenges domestically or abroad will strengthen our friendship and bonding.

Together with Golf and Handicap Committee, we have been striving to improve the quality and to increase the number sponsored tournaments. We have activated Trackman Golf centre to help our golfers perfect their technics. We have written and published “Competition Instructions” for our players to help enjoy their play during the tournaments.

Nakkaştepe has become a serene oasis in the middle of the jungle we call Istanbul, where friendships are formed, strengthened.

I am looking forward to get together with all our members at our new golf course in the very near future.

Respectfully Yours,

Captain
Nüzhet Atabek
